Annual Exam – 2020

Class: VII

English Paper I (Language)

**Time: 2 hrs**

**Total Marks: 80**

**I. Read the following passage and answer the following questions (10)**

Chocolate is loved by people all over the world. But chocolate originated in one specific place- Central America. The origins of the chocolate that we consume can be traced back to the cacao plant. Cacao was grown by the Mayans and the Aztec people of Mexico and Central America, beginning more than 3000 years ago. The modern name cacao comes from the Mayan name for the plant. To the Mayans, cacao plant was very important; The beans of the cacao plant, also known as cocoa, were believed to possess medicinal powers and was also used as a medium of exchange and trade.

The use of cocoa soon spread across Europe, France, Italy and England by the 1600s. However, it was still expensive and was a drink that only rich could afford.

Daniel Peter, from Switzerland made the first solid milk chocolate by adding milk powder and from then, there has been no looking back- milk chocolate, dark chocolate, drinking chocolate are consumed by children and elders everywhere.
