4. What is the electricity generation capacity of Jhakra Power House()
5. All intellectual & cultural activities are quaternary economic activities()
6. A rock once disintegrated is further eroded by forces of nature like water, heat from sunlight and wind()
7. Use of solar energy increases global warming ()

VI. Tick the correct option:

7

1. Which water body borders Africa to the north?
 - a. Red sea
 - b. Gulf of Aqaba
 - c. Mediterranean Sea
 - d. All
2. How many parties were involved in the Antarctica Treaty by 2016?
 - a. 12
 - b. 43
 - c. 53
 - d. 25
3. Which basin is located in the Carpentaria Lowlands?
 - a. The Great Artesian Basin
 - b. The Lake Eyre Basin
 - c. The Murray-Darling Basin
 - d. The copper River Basin
4. Which country is a part of the Balkan states?
 - a. Denmark
 - b. Greece
 - c. Belgium
 - d. Portugal
5. What is the contribution of the automobile industry to India's GDP?
 - a. 5%
 - b. 8%
 - c. 7.1%
 - d. 9.2%
6. Which of the following is an internal factor that causes weathering?
 - a. Rivers
 - b. Tectonic movement
 - c. Glaciers
 - d. Winds
7. Which type of clouds is responsible for continuous rain or snow?
 - a. Nimbostratus
 - b. Cumulus
 - c. Circus
 - d. Stratus

VII. Answer the following:

22

1. What is Blizzard?
2. Name some high mountain peaks in Antarctica?
3. Describe the favourable geographical conditions for 'Cocoa Land'?
4. What are the causes for the industrial pollution?
5. What is the significance of the fishing industry? Explain the distribution of fishing industry in India and the world?
6. What is the purpose is solar power used?
7. Why is tourism well-developed in Switzerland?
8. Why are rivers important for Europe?
9. What are sheep stations and how are they maintained? Explain the process of sheep rearing?
10. Explain about the Sahara Desert?
11. What is Aurora Australis?

VIII. Picture study:

5

1. Name the country?
2. Mark any two rivers?
3. Mark any two countries

IX. Draw a neatly labelled diagram of Wind vane: 3

X. Mark the places on the given outline map of India: 5

- 1. River Tapi 2. River Kaveri 3. River Ganga
- 4. River Brahmaputra 5. Indus River
